

***Reference Book and Manual,
The U.S. Public Land Survey System for Arkansas,
available from State Surveyor's Office!***

The reference book and manual, *The U.S. Public Land Survey System for Arkansas*, by Dr. Richard Elgin, P.E., P.S. and Dr. David Knowles, P.E., P.S, contains otherwise hard to find information on original surveys and resurveys for the U.S. Public Land System in Arkansas, Arkansas court decisions, information on reestablishing lost corners and example problems.

The book was prepared with funding provided by State Surveyor Everett Rowland's office as a resource for present and future Arkansas Surveyors. The book can be purchased from the State Surveyor's office by e-mailing Kami Sharp, Executive Assistant, at Kami.Sharp@Arkansas.gov.
